

# Absorbent Pads

## Supplies

- Means to achieve a sewn/serged edge
- Flannel fabric
- Chuck pad or equivalent

## Information

1. Our pads are sized at 2x4, 2x5, 3x6 and 4x7. All sizes are needed and appreciated!
2. Cut a front and back to the size of your choosing.
3. Cut chuck pad to fit inside the flannel fabric. Attach as you see fit.
4. Sew it closed and give it a finished edge.
